# MOVE OVER

for emergency and highway workers.

**JUST DRIVE.**

Ditch the Distraction, Not the Car.

# ONE DISTRACTION IS ALL IT TOOK

Master Trooper Da'Von Brame was performing a truck inspection when a distracted driver hit his parked vehicle from behind. The force of the impact sent his vehicle into the semi-truck he was inspecting and into the traffic lane. Da'Von recovered from his critical injuries and has returned to work.

**It is Kansas law that you must either move over, or slow down for emergency personnel or road crews when flashing lights are visible.**
